

# Requests for Research Proposals

**Project title**

**Principal investigator name**

**Mailing address**

**Email address**

**Phone number**

**Other developers**

**Proposed duration of study**

**Provide a detailed description of developmental activities (approximately 350 words)**

**Provide supporting research, if available**

**Describe the support you are requesting broken down by category—for example, research assistance, participant payments, computer time, scoring**

**Please submit a vita for each investigator/developer along with this document to [mmesser@parinc.com](mailto:mmesser@parinc.com).**
